Gartner Expects Sales Enablement Budgets to Increase by 50% by 2027

Facing Uncertainty, CSOs Will Invest in Sales Enablement to Adapt to Dynamic Buying Landscape

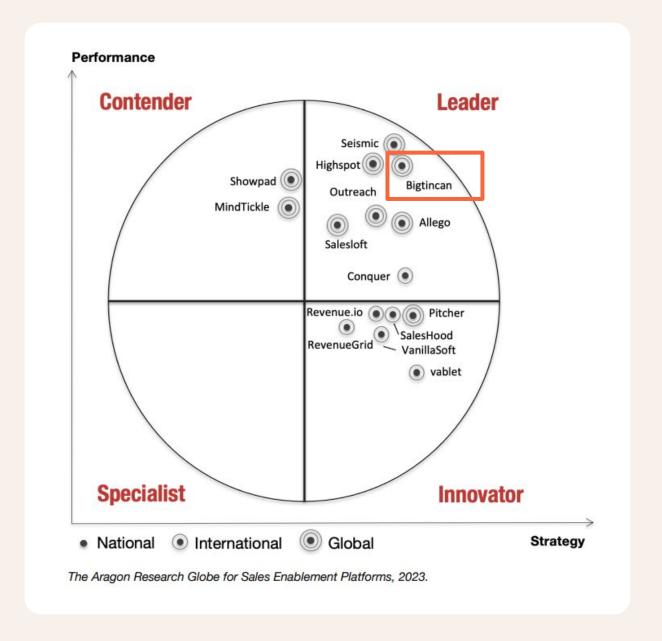

Sales enablement budgets will increase by 50% within the next five years as a way to address shifting buyer preferences, boost seller effectiveness and drive revenue growth, according to Gartner, Inc.

"Sales enablement is the most critical function for navigating sales teams through the constant change that surrounds them, from economic headwinds to evolving seller roles," said Shayne Jackson, Sr Director Analyst in the Gartner for Sales Leaders Practice.

Past performance

Past performance information given in this presentation is given for illustrative purposes only and should not be relied upon as (and is not) an indication of future performance.

Future performance

This presentation contains certain forward-looking statements with respect to the financial condition, operations and business of the Group and certain plans and objectives of the management of Bigtincan. Forward-looking statements can be identified by the use of forward-looking terminology, including, without limitation, the terms "believes", "estimates", "anticipates", "expects, "predicts", "intends", "plans", "goals", "targets", "aims", "outlook", "guidance", "forecasts", "may", "will", "would", "could" or "should" or, in each case, their negative or other variations or comparable terminology. These forward-looking statements include all matters that are not historical facts.

Such forward looking statements involve known and unknown risks, uncertainties and other factors which because of their nature may cause the actual results or performance of the Group to be materially different from the results or performance expressed or implied by such forward looking statements. Such forward looking statements are based on numerous assumptions regarding the Group's present and future business strategies and the political and economic environment in which the Group will operate in the future, which may not be reasonable, and are not quarantees or predictions of future performance. No representation is made that any of these statements or forecasts will come to pass or that any forecast result will be achieved, or that there is a reasonable basis for any of these statements or forecasts.

Forward-looking statements speak only as at the date of this presentation and to the full extent permitted by law, Bigtincan, the Lead Manager and their respective affiliates and related bodies corporate and each of their respective Related Parties and intermediaries disclaim any obligation or undertaking to release any updates or revisions to information to reflect any change in any of the information contained in this presentation (including, but not limited to, any assumptions or expectations set out in the presentation).
